

# OM&IS Gazette

## Begin again...

It's the first week of classes! Hold the joy and excitement you have this week closely. It will be beneficial as you move through the semester. Remember, this is another beginning towards your final goal—graduation. Please work hard and enjoy this time. If you are graduating this semester (May 2019) make sure you have applied for graduation and registered for OMIS 99 (undergraduate) or OMIS 599 (graduate). This is an email evaluation that is sent out at the end of the semester—it is required to graduate! Have a great first week!

## OMISpiration

*"Beginning my studies, the first step pleas'd me so much,  
the mere fact, consciousness—these forms—the power of motion,  
the least insect or animal—the senses—eyesight—love;  
the first step, I say, aw'd me and pleas'd me so much,  
I have hardly gone, and hardly wish'd to go, any further,  
but stop and loiter all the time, to sing it in ecstatic songs."*
