The Halfway Point

It is week 8! We have officially made it to the halfway point of the semester. Spring Break is next week—use this time to relax, recharge, and apply! Yes, apply for an internship or a job—at least one! You will be happy you did. Also, This is the last week to withdraw from a traditional 16-week course. If you leave for Spring Break, you are committed to all of the classes you are currently enrolled in for the rest of the semester. To withdraw from a course, please speak to the staff in BH 201—no appointment required. Have a great week and a safe Spring Break!

"Oh, give us pleasure in the flowers to-day;

And give us not to think so far away

As the uncertain harvest; keep us here

All simply in the springing of the year."
