## 1990 - Week 10

Welcome back! I hope your time away from campus was enjoyable, relaxing, and productive. We are, officially, closer to the end of the semester (and graduation for some of you!) than the beginning. Remember to keep pushing—as it warms up the reasons to avoid class become much greater—go to class! Also, registration for summer and fall classes will begin in April. If you would like to chat about classes, you can call 815-753-1286 or come into BH 328 to schedule an appointment. Have a great week!
